ANIMED PRODUCT LIST

ASPIRINS

HORSE CARE PRODUCTS

AniPrin P

Pure USP Grade Aspirin. Aids in the relief of minor muscular aches, joint pains, reducing fever and inflammation. AniPrin P can be used as a top dress on normal feed ration.

Per Ounce: Pure Acetylsalicylic Acid 28,350mg per ounce

Packaged: 16oz, 2 1/2lb, 5lb, 25lb

AniPrin F

Palatable, molasses flavored Aspirin for relief of minor muscular aches, joint pains, reducing fever and inflammation. AniPrin F can be used as a top dress on normal feed ration.

Per Ounce (min): Acetylsalicylic Acid USP 14,100mg in a palatable base.

Packaged: 16oz, 2 1/2lb, 5lb

AniPrin EZ

A molasses-flavored, microencapsulated aspirin.

Guaranteed Analysis: Microencapsulated Acetylsalicylic Acid 5000mg per ounce

Packaged: 700grams, 2100grams

DIGESTIVE HORSE CARE PRODUCTS

AniGest

Digestive Enzyme and Probiotic Supplement

Get the most from your feed & supplement program.

AniGest is a unique nutritional digestive supplement formulated with scientifically prepared acid stable enzymes and probiotics. AniGest's combination active ingredients are designed to enhance normal processes in a horse's digestive system. Improvements in digestive efficiency increase the results from your feed and supplement program, helping your horse reach and maintain optimal condition and peak performance.

The enzymes in AniGest include:

- Amylase; to aid in the digestion of starches and sugars.
- Protease; to aid in the digestion of proteins into amino acids.
- Lipase; to aid in the digestion of fat.
- Cellulase; to aid in the digestion of fiber.

The live yeast (probiotics) in AniGest includes;

- *S. Cerevisiae* strain 1026
- *Lactobacillus acidophilus*.

Guaranteed Analysis per 1 1/2ounce serving (min): Protein 20%, Fat 9%, Fiber 17%, Amylase 4215DU, Bromelain 937,500PU, Cellulase 14,760CU, Lipase 1027FIP, Protease 65.625SAPU, *S.Cerevisiae* 37billion

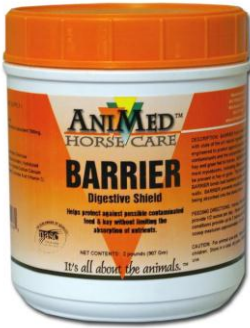

Packaged: 5pound, 10pound, 20pound, 30pound

AniPsyll

A source of natural dietary fiber.

Ingredients: Psyllium Husks, roughage (all natural plant fiber)

Packaged: 4.85lb, 10lb, 20lb

BARRIER

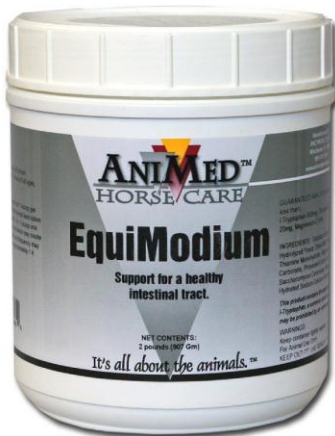

Digestive Shield

Helps protect against possible contaminated feed and hay without limiting the absorption of nutrients.

BARRIER from AniMed™ provides your horse with state of the art natural ingredients scientifically engineered to protect against possible unseen harmful contaminants and the uncontrolled variations in the quality of hay and grain fed to horses. BARRIER effectively neutralizes most mycotoxins, including aflatoxin and fumonisin that may be present in hay or grain. The functional carbohydrate in BARRIER binds bad bacteria so they cannot attach to the gut walls. BARRIER prevents mycotoxins and bad bacteria from being absorbed into the blood stream.

GUARANTEED ANALYSIS (per ounce): Mannanligosaccharides 7000mg, Mycotoxin absorbent 7000mg, Vitamin C 550mg

PACKAGED: 2lb jar

EquiModium

Support for a healthy intestinal tract.

EquiModium is designed to support proper digestion and bowel health in horses of all ages.

GUARANTEED ANALYSIS (Each ounce contains not less than): I-Tryptophan 500mg, Thiamine 500mg, Calcium 20mg, Magnesium 2.5mg

INGREDIENTS: Stabilized Rice Bran, Dextrose, Hydrolyzed Yeast, Dried Milk Protein, I-Tryptophan, Thiamine Monohydrate, Magnesium Oxide, Calcium Carbonate, Processed Grain By-Products, Saccharomyces Cerevisiae, Manganese Sulfate, Hydrated Sodium Calcium Aluminosilicate

Packaged: 2lb jar.

EquiTum

with Functional Carbohydrates and Digestive Enzymes

AniMed's EquiTum is a proprietary nutritional blend designed for horses undergoing the stress of training, showing, trailering, performing and/or racing. The ingredients in EquiTum support healthy digestion while helping to maintain a healthy intestinal tract and proper gut flora. EquiTum supplies supplemental calcium and magnesium to help maintain proper gut pH along with the yeast cultures Lacto-Mos™ and Yea-Sacc® 1026. Lacto-Mos™ is a source of live, naturally occurring beneficial microorganisms and Yea-Sacc® 1026 improves the digestion of fiber, providing more energy for horses.

GUARANTEED ANALYSIS PER 1 1/2 OUNCE (not less than): Calcium 7%, Magnesium 5.25%, Omega 3 Fatty Acids 4.5%, Saccharomyces Cerevisiae 2.5 billion CFU, Lactic Acid Bacteria 10.3 million CFU
Packaged: 10lb, 25lb

Garlic -100% Natural

No additives or fillers.

Ingredients: Garlic 100%

Packaged: 16oz, 2lb

PurePsyll

100% Psyllium Husks. Contains no fillers, bran or sweeteners. A source of dietary fiber.

Ingredients: Milled Psyllium Husks

Packaged: 3lb, 10lb, 20lb

ULC-R-AID

Ulc-R-Aid is designed to nutritionally support horses of all ages.

Each Ounce Contains: L-Tryptophan 500mg, Thiamine 500mg, Calcium 20mg, Magnesium 2.5mg

Ingredients: Dextrose, Brewers Yeast Supplement, Dried Milk, L-Tryptophan, Thiamine Monohydrate, Magnesium Sulfate, Calcium Carbonate, Corn Starch

Packaged: 4lb, 10lb

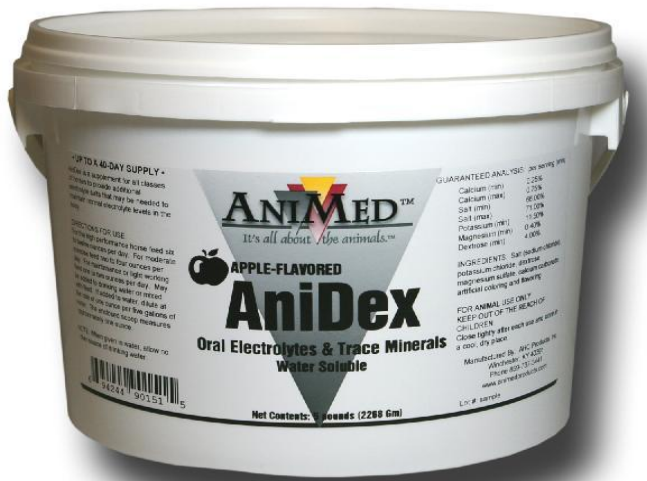

Yea-Sacc® 1026

May reduce the possible risk of Digestive Colic

Feeding Yea-Sacc®1026 may reduce digestive disturbances associated with stress, training, performance and travel.

GUARANTEED ANALYSIS: Crude Protein (min) 28%, Crude Fat (min) 5%, Crude Fiber (max) 10%, Saccharomyces cerevisiae 50 billion CFU/per scoop

Packaged: 3lb

ELECTROLYTES HORSE CARE PRODUCTS

AniDex Oral Electrolytes

AniDex Oral Electrolytes and Trace Minerals is a supplement for all classes of horses formulated to provide additional electrolyte salts that may be needed to maintain normal electrolyte levels in the body. AniDex is water soluble and may be added to drinking water or mixed with feed. It is economical; a 40-day supply in the five pound container at maintenance dose.

AniDex is highly palatable; available in apple-flavored or cherry-flavored.

Ingredients: Salt (sodium chloride), potassium chloride, dextrose, magnesium sulfate, calcium carbonate, artificial coloring and flavoring.

Packaged: 5lb, 30lb

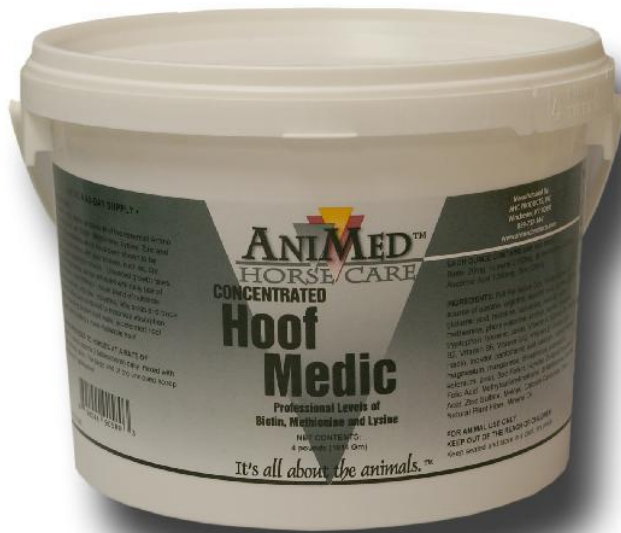

Sweat Again

Electrolyte with Amino Acids, Vitamins and Minerals

SweatAgain is an oral electrolyte with Amino Acids, Vitamins and Minerals specifically designed for horses of all classes under the stress of summer heat, hard work, training, and physical activities that require or result in the normal body cooling process of sweating.

GUARANTEED ANALYSIS: Nutritional Data per ounce: Crude Protein (min) >1%, Crude Fat (min) >1%, Crude Fiber (max) >1%, Calcium (min) 2%, Calcium (max) 4%, Phosphorus 0.75%, Zinc (min) 55ppm, Potassium (min) 14%, Niacin B3 (min) 3150mg, Vitamin B6 (min) 2500mg, L-Tyrosine (min) 4500mg, Choline (min) 4500mg

Packaged: 16 ounce jar

HOOF SUPPORT HORSE CARE PRODUCTS

AniHeal for Hooves

A homeopathic hoof dressing for horses that helps maintain moisture balance and pliability. It is a powerful penetrating formula and can be used in all weather conditions.

Contains: Raw Linseed Oil, Pine Tar, Formaldehyde, Spirits of Turpentine and Arnicated Oil
Packaged: 16 ounce brush-cap bottle

Biotin 100

For use as a nutritional supplement.

Per Pound: Biotin 100mg

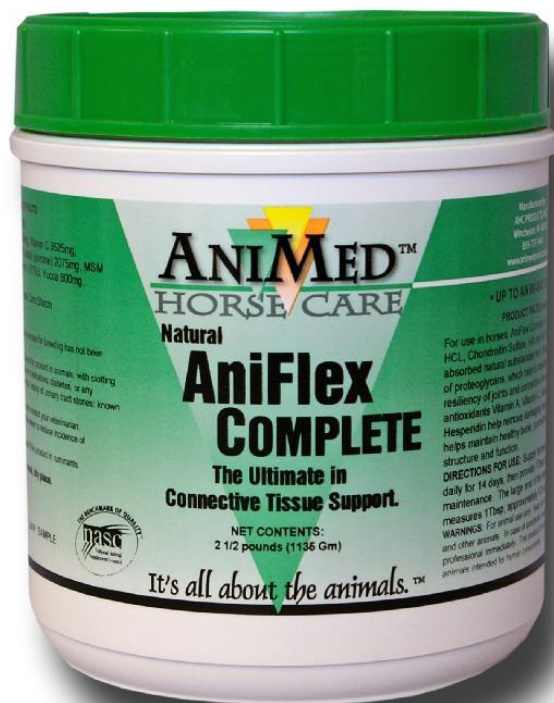

Packaged: 16oz, 2 1/2lb, 5lb, 20lb

Hoof Medic

AniMed's Hoof Medic for horses contains essential amino acids with Biotin, Lysine, Methionine and Zinc to give the horse with thin walled, weak hooves the boost of targeted nutritional vitamins and minerals vital for the support of normal hoof growth. This combination of nutrients in Hoof Medic work together to support cracked hooves and strengthen hoof walls.

GUARANTEED ANALYSIS PER OUNCE (two scoops): L-Lysine 2150mg, dl-Methionine 3000mg, Zinc 250mg, Vitamin C 1290mg, Biotin 20mg,

Packaged: 4lb

JOINT SUPPORT HORSE CARE PRODUCTS

Absolute HA

Hyaluronic Acid is a major component of both the cartilage and synovial fluid of the joint and is associated with joint lubrication and flexibility.

Per Ounce: Hyaluronic Acid 250mg

Packaged: 16oz

AniFlex Complete HA

For use in all classes of horses. AniFlex Complete's unique, natural formulation of Glucosamine, Chondroitin, HA and MSM are easily absorbed to help maintain the health and resiliency of joints and connective tissue, while maintaining healthy bone, connective tissue and joint structure and function.

ACTIVE INGREDIENTS PER OUNCE: Glucosamine HCL (shellfish) 5000mg, Hesperidin 3475mg, Chondroitin Sulfate (porcine) 2075mg, MSM 1775mg, Creatine 1000mg, Hyaluronic Acid 50mg
INACTIVE INGREDIENTS: Ascorbic Acid (Vitamin C), Brewers Yeast, Calcium Ascorbate (Vitamin C), Corn Starch, DL-alpha Tocopheryl Acetate (Vitamin E), Yucca (flavoring agent)

Packaged: 16oz, 2 1/2lb, 5lb, 20lb

AniFlex GL with HA

For use in horses, AniFlex GL's unique, natural formulation contains Glucosamine, HA and MSM which are easily absorbed to help maintain healthy connective tissue and joint function.

ACTIVE INGREDIENTS PER OUNCE: Glucosamine HCL (shellfish) 5000mg, Hesperidin 3475mg, MSM 1775mg, Creatine 1000mg, Hyaluronic Acid 50mg

Inactive Ingredients: Ascorbic Acid (Vitamin C), Brewers Yeast, Calcium Ascorbate (Vitamin C), Corn Starch, DL-alpha Tocopheryl Acetate (Vitamin E), Yucca (flavoring agent)

Packaged: 16oz, 2 1/2lb, 5lb

Chondroitin Sulfate-Pure

Highest concentration of Chondroitin available.

Each Ounce Contains (min): Chondroitin Sulfate 25,515mg

Packaged: 16oz

FlexAbility CM

FlexAbility CM combines easily absorbed natural ingredients for support of healthy joint connective tissue and joint structure and to support and maintain normal joint function and mobility. FlexAbility CM provides CMO, Glucosamine, MSM, Hyaluronic Acid.

Active Ingredients per 2 scoops (approx 70 grams):

Cetyl Myristoleate(CMO) 5000mg, Glucosamine HCL (porcine) 5000mg, Methylsulfonylmethane (MSM) min 5000mg, Hyaluronic Acid (HA) 100mg

Packaged: 5lb, 10lb, 20lb

Glucosamine HCL-Pure

Highest concentration of Glucosamine available.

Per Ounce: Glucosamine HCL 27,500mg

Packaged: 16oz

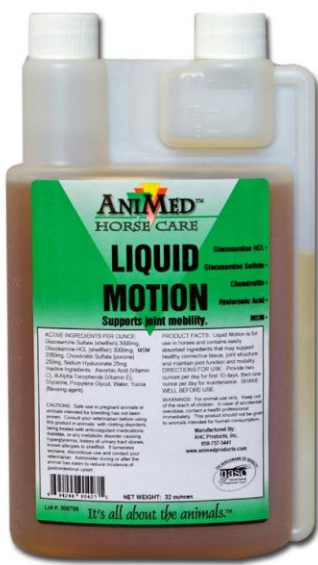

Glucosamine 5000 With Live Yeast Culture

For use in horses. Glucosamine 5000 is an easily absorbed natural substance that may stimulate the production of proteoglycans which help to maintain the health and resiliency of joints and connective tissue. Glucosamine 5000 also contains Yea-Sacc®1026, support for gastrointestinal health, stability and integrity and Sel-Plex® an antioxidant.

ACTIVE INGREDIENTS PER OUNCE: Glucosamine HCL (shellfish) 5000mg, Omega 3 Fatty Acid (alpha-linolenic acid) 20 grams, Vitamin C 85mg, Selenium 1ppm

Inactive Ingredients: Brewers Dried Yeast, Saccharomyces Cerevisiae, Corn Starch

Packaged: 16oz, 2 1/2lb, 5lb, 25lb

Liquid Motion

Liquid Motion is for use in horses and contains easily absorbed ingredients that may support healthy connective tissue, joint structure and maintain joint function and mobility.

ACTIVE INGREDIENTS PER OUNCE: Glucosamine Sulfate (shellfish) 3000mg, Glucosamine HCL (shellfish) 3000mg, MSM 2050mg, Chondroitin Sulfate (porcine) 250mg, Sodium Hyaluronate 25mg
Inactive Ingredients: Ascorbic Acid (Vitamin C), DL-alpha Tocopheryl Acetate (Vitamin E), Glycerine, Propylene Glycol, Water, Yucca (flavoring agent)

Packaged: 38oz measure-n-pour bottle. 1 gallon jug

MSM - Pure

MSM Pure Powder is a bio-available source of dietary sulfur.

Guaranteed Analysis: Methylsulfonylmethane (minimum) 100%

Packaged: 16oz, 2 1/2lb, 5lb, 10lb, 20lb and 40lb

PureFlex with HA

PureFlex Joint Complex is a superior blend of Glucosamine HCL, Chondroitin Sulfate, Hyaluronic Acid and MSM.

ACTIVE INGREDIENTS PER OUNCE: Methylsulfonylmethane (MSM) 16,500mg, Glucosamine HCL (shellfish) 7500mg, Chondroitin Sulfate (porcine) 1200mg, Sodium Hyaluronate 50mg

Inactive Ingredients: Calcium Ascorbate (Vitamin C)

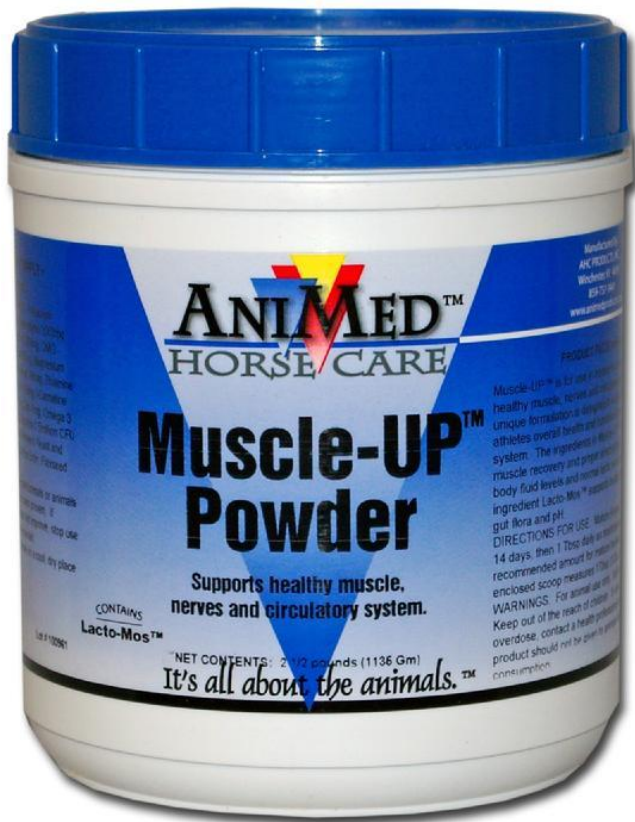

Packaged: 16oz, 2 1/2lb, 5lb

Yucca Pure

Pure Desert Yucca Powder is a 100% pure and natural. AniMed™ uses only the finest yucca from the Schidigera Yucca Root; no fillers or additives. Yucca is a flavoring agent in feeds of all animals. It may also be used as an aid in the control of manure odor (post excretion) in finished feeds of poultry and livestock.

Ingredients: Pure Yucca Schidigera Root 100%

Packaged: 16oz, 2lb

PERFORMANCE HORSE CARE PRODUCTS

Acta-Chrom

Acta-Chrom is a Chromium Tripicolinate mineral supplement.

Guaranteed Analysis: Calcium (min) 35%, Calcium (max) 40%, Chromium (min) 400ppm

Packaged: 16oz

Blood Builder

A palatable Vitamin and Mineral supplement with Iron.

Ingredients: Stabilized Rice Bran, Brewers Yeast, Dextrose, Magnesium Oxide, Dicalcium Phosphate, Calcium Carbonate, Ascorbic Acid, Vitamin E, Zinc Sulfate, dl-Methionine, Vitamin A, Vitamin D, Vitamin K, Ferrous Sulfate, Chromium, Thiamine Monohydrate, l-Carnatine, l-Lysine, Biotin, Vitamin B-12, Yucca, Artificial Flavor and Sweetener

Packaged: 2 1/2lb, 5lb, 25lb

Creatine Pure

Each Ounce Contains (min): Creatine Monohydrate 28,320mg
Packaged: 16oz, 5lb

DMG Pure

Each Ounce Contains (min): DMG 27,783mg
Packaged: 16oz

DMG 2000

Each Ounce Contains (min): DMG 2000mg
Packaged: 16oz, 2 1/2lb, 4lb, 25lb

Gamma Oryzanol - Pure

Ingredients: Gamma Oryzanol
Packaged: 8oz

Hesperidin Pure

Each Ounce Contains (min): Hesperidin 27,780mg
Packaged: 16oz, 2 1/2lb, 5lb, 25lb

Muscle-UP™

with Probiotics

Muscle-UP™ is for use in horses to support normal muscle, nerves and circulatory systems. The ingredient Lacto-Mos™ supports healthy digestion, proper gut flora and pH.

ACTIVE INGREDIENTS PER OUNCE: Potassium 2675mg, Sodium 1750mg, Sugar (electrolyte) 1063mg, Gamma Oryzanol 1000mg, Creatine 1000mg, DMG 900mg, Vitamin E 875IU, Calcium 550mg, Magnesium 200mg, Folic Acid 175mg, Phosphorus 100mg, Thiamine (B-1) 46mg, Vitamin C 40mg, Niacin 35mg, l-Carnatine 25mg, Chromium 17mg, Iron 10mg, Zinc 8mg, Omega 3 Fatty Acid 3.5%, Live Lactic Acid Bacteria 1.5million CFU

INACTIVE INGREDIENTS: Dried Brewers Yeast and Fermentation Solubles, Stabilized Rice Bran, Flaxseed Meal

Packaged: 2 1/2lb, 5lb, 25lb

TIE-BY

A powerful formula for horses that routinely 'tie-up'.

Each Ounce Contains (min): Vitamin E 1750mg, DMG 1000mg, Ascorbic Acid 875mg, Folic Acid 85mg, Magnesium 600mg, Selenium 50ppm, Chromium Tripicolinate 5mg

Packaged: 2 1/2lb, 5lb

Uva Ursi Leaves

Ingredients: Uva Ursi Leaves

Packaged: 1lb jug

Vita-Calm
with Live Yeast Cultures

AniMed's Vita-Calm is a feed supplement containing L-Tryptophan, Thiamine, Calcium and Magnesium for horses and/or where supplementation of L-Tryptophan, Thiamine, Calcium and Magnesium may prevent a dietary deficiency. Yea-Sacc® 1026 supplies a source of live, naturally occurring beneficial micro-organisms for healthy digestion and gut stability.

EACH OUNCE CONTAINS (MIN):

L-Tryptophan 1000mg, Thiamine 500mg, Calcium 20mg, Magnesium 2.5mg, Saccharomyces Cerevisiae 8.75 Billion CFU, Omega 3 Fatty Acids 3.5%; additional vitamins and minerals may be supplied by the Flaxseed Meal, Brewers Dried Yeast and Stabilized Rice Bran.

Packaged: 2lb, 5lb

PEST CONTROL HORSE CARE PRODUCTS

BugLyte with Live Yeast Cultures

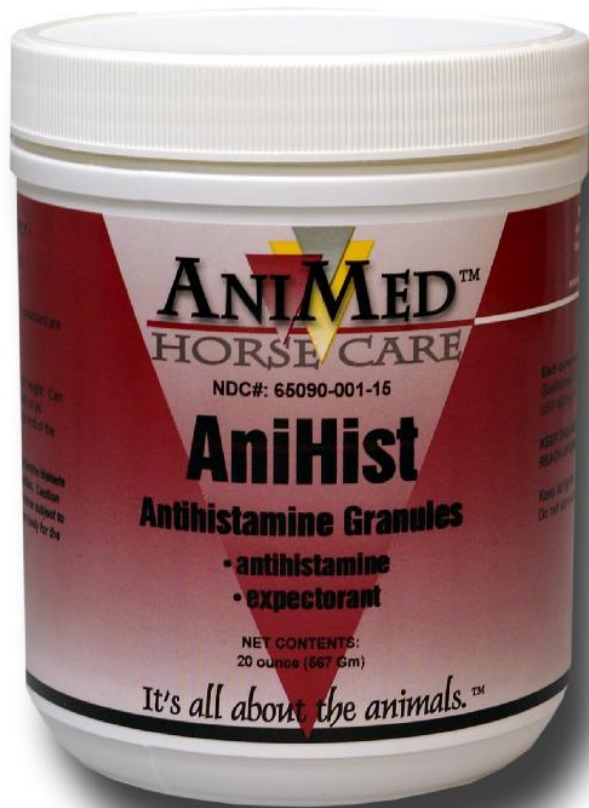

BugLyte insect deterrent is natural, non-toxic and does not contain irritating or dangerous chemicals. BugLyte is a gentle alternative to the harshness and sensitivity problems of many of the "spray-ons". BugLyte contains both Garlic and Thiamine, known for centuries as a powerful way to keep pests like flies and mosquitoes away. Yea-Sacc® 1026 in BugLyte supports digestion, stabilizes cecal and colon pH and promotes gastrointestinal health, stability and integrity. De-Odorase® adds to the strategy of insect deterrent by reducing manure odor and pest attraction.

GUARANTEED ANALYSIS:

Crude Protein (min) 10%, Crude Fat (min) 5%, Crude Fiber (max) 10%, Thiamine 1750 mg/oz, Niacin 875mg/oz, Saccharomyces Cerevisiae 1 billion CFU/oz

INGREDIENTS: Diatomaceous Earth, Brewers Dried Yeast and Fermentation Solubles, Thiamine Monohydrate, Garlic, Niacin, Grape Seed Extract, De-Odorase®

Packaged: 1 1/2lb, 5lb, 10lb

RESPIRATORY HORSE CARE PRODUCTS

AniHist

An oral antihistamine and expectorant for use in horses. For the relief of 'heavy' horses and 'barn cough'. Great for seasonal allergies.

Each Ounce Contains (min): Guaifenesin USP 2400mg, Pyrilamine Maleate USP 600mg

Packaged: 20oz, 5lb, 25lb

HistALL

An economical, effective oral antihistamine for horses. A twenty ounce container can last up to 40 days.

Each Ounce Contains (min): Pyrilamine Maleate USP 600mg

Packaged: 20oz

ImmuAid

A synergistic combination of nutrients designed to nutritionally support the immune system.

Each Ounce Contains (min): DMG 2000mg, L-Lysine 140,000mg, Vitamin A 140,000IU, Zinc 1600mg, Vitamin C 1500mg, Vitamin E 1000IU, Bioflavonoid 885mg, Rice Bran, BYW-35, Garlic, Echinacea

Packaged: 16oz

Spect-Aid

A blend of three expectorants in a sweet, palatable base. Can be dissolved in drinking water or used as a top dress in feed.

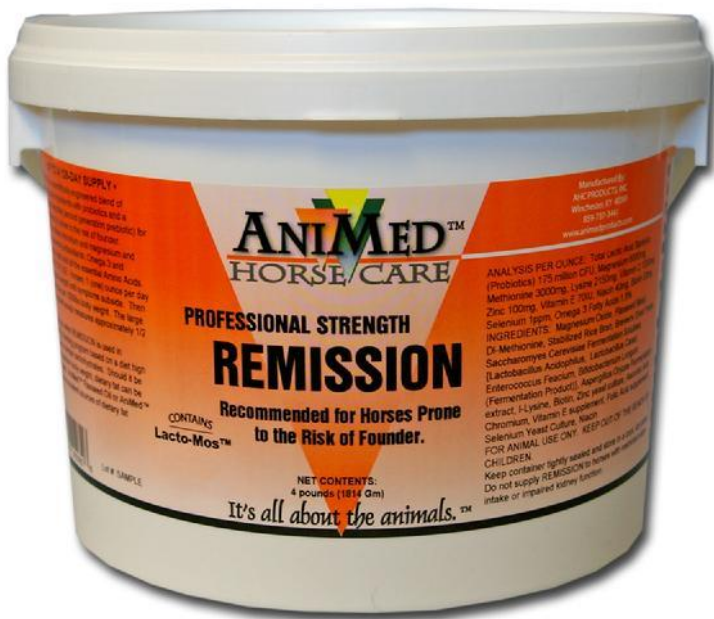

Guaranteed Analysis: Guaifenesin USP 7%, Ammonium Chloride 75%, Potassium Iodide USP 2%

Packaged: 16oz, 5lb, 25lb

Vitamin C&K Hesperidin

Each Ounce Contains (min): Vitamin C 3125mg, Hesperidin 1000mg, Vitamin K 40mg

Packaged: 5lb, 20lb

VITAMIN & MINERAL HORSE CARE PRODUCTS

Balance I

A nutrient balancing vitamin and mineral supplement for horses fed alfalfa hay. Using Balance I on a daily basis helps achieve the nutritional balance necessary for the maintenance of optimum health and peak body condition.

Ingredients: Stabilized Rice Bran and Brewers Yeast, Flax Seed Meal, Full Fat Active Soy Flour, I-Lysine, Manganese Sulfate, Dicalcium Phosphate, Mono-Ammonium Phosphate, Biotin Supplement, Corn Starch, Calcium Carbonate, Magnesium Oxide, Zinc Sulfate, Folic Acid, D-Alpha Tocopheryl, Vitamin K supplement, Potassium Chloride, Ascorbic Acid, Bee Pollen, dl-Methionine, Thiamine Monohydrate, Niacin, Vitamin A, I-Carnatine supplement, Vitamin D, Selenium supplement, Molasses flavoring and Sweetener.

Balance II

A nutrient balancing vitamin and mineral supplement for horses fed grass hay. Using Balance II on a daily basis helps achieve the nutritional balance necessary for the maintenance of optimum health and peak body condition.

Ingredients: Calcium Carbonate, Stabilized Rice Bran and Brewers Yeast, Flax Seed Meal, Full Fat Active Soy Flour, I-Lysine, Manganese Sulfate, Dicalcium Phosphate, Mono-Ammonium Phosphate, Biotin Supplement, Corn Starch, Magnesium Oxide, Zinc Sulfate, Folic Acid, D-Alpha Tocopheryl, Vitamin K supplement, Potassium Chloride, Ascorbic Acid, Bee Pollen, dl-Methionine, Thiamine Monohydrate, Niacin, Vitamin A, I-Carnatine supplement, Vitamin D, Selenium supplement, Molasses flavoring and Sweetener. Packaged: 5lb, 15lb, 30lb

Bee Pollen - Pure

Bee Pollen is a source of 22 nutrients; vitamins, minerals, amino acids enzymes and fatty acids.

Active Ingredients: Bee Pollen 100%

Packaged: 2lb, 4lb

Bone Builder

Contains key nutritional factors, balanced and in sufficient amounts to supply nutritional support for normal production and maintenance of strong bones in young and growing horses and athletes.

Each Ounce Contains (min): Calcium 25%, Phosphorus 11%, Vitamin A 140,00IU, Vitamin D 40,000IU, L-Lysine 7500mg, Glucosamine HCL 1700mg, Vitamin C 400mg

Packaged: 2 1/2lb, 5lb, 25lb

Brewers Yeast - Pure

Brewers Yeast is a rich source of B-Complex vitamins, protein, amino acids, and minerals. For use as an oral nutritional supplement for horses of all classes and dogs.

GUARANTEED ANALYSIS: Crude Protein (min) 35%, Crude Fat (min) 3%, Crude Fiber (min) 9.1%, Crude Fiber (max) 10.9%, Calcium 1%, Iron 4%, Thiamine 9.6mg/oz, L-Lysine 425mg/oz

Ingredients: Brewers Dried Yeast

Packaged: 2lb, 4lb, 20lb

Calcium Ascorbate (Ester C™)

Calcium Ascorbate (Ester C™) is a highly available, easily absorbed source of Vitamin C.

Each Ounce Contains (min): Calcium Ascorbate 28,375mgs

Packaged: 16oz

L-Carnitine

Assists in normal muscle recovery time. It is also helpful in the support of normal cardiac activity and aids in the prevention of heart muscle problems.

Per Ounce: L-Carnitine 850mg

Packaged: 16oz

Coat Medic

Coat Medic is a premium vitamin and mineral feed supplement rich in Amino Acids and with Omega Fatty Acids; to support normal, healthy skin and lustrous coat.

GUARANTEED ANALYSIS: per ounce: Crude Protein (min) 12%, Crude Fat (min) 14%, Crude Fiber (min) 10%, Vitamin E 275IU, Folic Acid 45mg, Biotin 11mg, L-Lysine 450mg, DL-Methionine 550mg, Zinc 20mg, Omega 3 Fatty Acid 1.3%, Omega 6 Fatty Acid 0.89%

Packaged: 4lb

Di-Cal

Formulated to provide supplemental calcium and phosphorus that may be lacking in the horse's regular feed. Calcium and phosphorus is necessary for proper bone growth.

Guaranteed Analysis: Calcium (max) 22.80%, Calcium (min) 19.00%, Phosphorus (min) 18.50%, Fluorine (max) 0.185%

Packaged: 4lb

Flax Seed Meal

One of the richest plant sources of Omega-3 Fatty Acid. Also an excellent source of soluble and insoluble dietary fiber.

Each Ounce Contains (min): Crude Protein 20%, Crude Fat 30%, Crude Fiber 13%, Omega-3 Fatty Acid (min) 7.25%, Omega-6 Fatty Acid (min) 2.25%

Packaged: 20lb

Folic Acid

Folic Acid is of vital importance in the maintenance of normal red blood cells.

Each Ounce Contains (min): Folic Acid 2835mg

Packaged: 16oz, 2 1/2lb, 5lb, 25lb

L-Lysine

Recommended for horses whose diets are low in alfalfa, clover and soy. Assists in increasing diet protein. L-Lysine works with other essential amino acids to aid in weight gain and carcass leanness.

Ingredients: L-Lysine Monohydrochloride

Packaged: 16oz, 5lb

MareKare

MareKare is a comprehensive, premium vitamin and mineral feed supplement specifically formulated for pregnant and lactating mares. MareKare is rich in Vitamin E, Folic Acid and Calcium. Using MareKare on a daily basis provides the nutritional components for the maintenance of peak body condition and the demands of breeding, foaling and lactation.

GUARANTEED ANALYSIS: per ounce: Calcium (min) 230mg, Calcium (max) 250mg, Phosphorus (min) 110mg, Vitamin A 50,000IU, Vitamin D 7,000IU, Vitamin E 100IU, L-Lysine 625mg, Folic Acid 17.5mg, Omega 3 Fatty Acid 1.3%, Omega 6 Fatty Acid 0.89%

Packaged: 2lb, 5lb, 10lb, 20lb

DI-Methionine

Guaranteed Analysis: Each ounce contains (min) of dl-Methionine 28,000mg

Packaged: 16oz

REMISSION

Recommended for horses prone to the risk of founder.

REMISSION is a scientifically engineered blend of supportive natural ingredients with probiotics and a functional carbohydrate (second generation prebiotic). Nutritional support for horses foundered or prone to the risk of founder. REMISSION contains magnesium, antioxidants, Omega 3 and Omega 6 Fatty Acids and Amino Acids.

GUARANTEED ANALYSIS per ounce (2 scoop): L-Lysine 2150mg, Methionine 3000mg, Linolenic Acid (Omega 3 Fatty Acid) 510mg, Magnesium 6000mg, Selenium 1ppm, Zinc 100mg, Biotin 20mg, Niacin 40mg, Ascorbic Acid (Vitamin C) 1200mg, Vitamin E 70IU, Total Lactic Acid Bacteria (Probiotics) 175 million CFU

Ingredients: Magnesium Oxide, Flaxseed Meal, DI-Methionine, Stabilized Rice Bran, L-Lysine, Biotin, Brewers Dried Yeast, Dried Saccharomyces cerevisiae fermentation solubles, Zinc Proteinates, L-ascorbyl-2-polyphosphate (Vitamin C), Yeast Extract, Lactobacillus acidophilus fermentation product, Lactobacillus casei fermentation product, Enterococcus (Streptococcus) faecium fermentation product, Bifidobacterium longum fermentation product, Aspergillus oryzae fermentation extract, mixed alpha tocopherol acetate (Vitamin E), Flax Seed Oil, Niacin, Silica.

Packaged: 4lb, 10lb

Thiamine HCL

An economical way to supplement Vitamin B-1.
Each Ounce Contains (min): Thiamine HCL 23,500mg
Packaged: 16oz

Selenium

Each Pound Contains (min): Selenium 90.8mg
Packaged: 16oz

L-Tryptopan

This product contains L-tryptophan which may be prohibited in certain competition. Caution must be taken when used on competition horse subject to drug testing. Check with the event sanction body for the necessary withdrawal time.

Ingredients: L-Tryptophan 2250mg per 1/2 teaspoon
Packaged: 8oz

Vitamin C Pure

Guaranteed Analysis per Ounce: Ascorbic Acid 27,640mg
Packaged: 16oz, 2 1/2lb, 5lb, 20lb

Vitamin E Concentrate

AniMed's Vitamin E Concentrate contains one of the highest levels of Vitamin E available in a dry form for periods of reduced feed intake or when Vitamin E supplementation is indicated.

GUARANTEED ANALYSIS: Crude Protein (min) >1%, Crude Fat (min) >1%, Crude Fiber (max) >1%,
Vitamin E (min) 226,500IU/lb
Packaged: 2lb, 4lb, 25lb

Vitamin E Powder

Vitamin requirements of animals can be affected by many factors, such as feed quality, time of year and animal stress. Consult a veterinarian with questions regarding the use of this product.

INGREDIENTS: DI-alpha tocopheryl acetate, calcium carbonate, natural plant fiber, magnesium-mica and mineral oil.

GUARANTEED ANALYSIS, Minimum: Per Pound: Vitamin E 20,000 IU Per Ounce: Vitamin E 1250 IU
Packaged: 2 1/2lb, 5lb

Vitamin E & Folic Acid

Provides supplemental Folic Acid, Vitamin E and B-Complex vitamins.
Analysis; Each Pound (min): Vitamin E 128,000IU, Folic Acid 640mg
Packaged: 2lb, 5lb

Vitamin E & Selenium with Zinc

AniMed's Vitamin E and Selenium oral feed supplement for horses is formulated to supply supplemental Vitamin E and Selenium that may be lacking or in insufficient quantities in the horse's normal diet.

GUARANTEED ANALYSIS: Each pound contains (not less than): Crude Protein (min) 6%, Crude Fat (min) 9%, Crude Fiber (min) 12%, Vitamin E 20,000 IU, Selenium (min) ...40mg ... 88ppm, Selenium (max) ... 45mg ... 100ppm, Zinc....64mg.... 140ppm

INGREDIENTS: Stabilized Rice Bran, DI-alpha Tocopheryl Acetate (Vitamin E), Saccharomyces cerevisiae, Calcium Carbonate, Selenium Yeast, Silica, Brewers Yeast, Distillers Dried Grains, Silicon Dioxide, Zinc Sulfate.

Packaged: 2 1/2lb, 5lb

Weight-UP

with Live Yeast Cultures

AniMed's Weight-UP is more than just a supplemental source of calories and fat needed to increase weight. The unique formulation of Weight-UP provides support for a horse's normal digestive system. The live yeast culture Yea-Sacc®1026 (*Saccharomyces cerevisiae*) and the Lacto-Mos™ (lactic acid bacteria) in Weight-UP increase the number and activity of the good bacteria in a horse's digestive system.

GUARANTEED ANALYSIS:

Crude Protein (min) 14%, Crude Fat (min) 40%, Crude Fiber (max) 11%, Omega 3 Fatty Acid (min) 5%,
Saccharomyces cerevisiae 169.8x10⁽⁷⁾CFU/lb, Total Lactic Acid Bacteria 33.96x10⁽⁶⁾CFU/lb

Packaged: 10pound, 30pound

WOUND CARE HORSE CARE PRODUCTS

AniHeal™ ***Protective Liquid Wound Care Dressing***

AniHeal™ is a protective dressing for minor cuts, skin irritations and abrasions. AniHeal™ comes packaged in four different containers and sizes for ease of application and can be used on horses and dogs.

AniHeal™ Trigger Spray

Can be used on horses and dogs.

Contains: Fish Oil, Linseed Oil, Spirits of Turpentine, Balsam of Fir and Sulphuric Acid

Packaged: 16 ounce trigger spray bottle

AniHeal™ Dauber

For use on horses and dogs.

Contains: Fish Oil, Linseed Oil, Spirits of Turpentine, Balsam of Fir and Sulphuric Acid

Packaged: 8 ounce dauber-cap bottle

Packaged: 1 quart, 1 gallon, 2 1/2 gallon, 5 gallon

PREMISE

XPEL! ODOR & SPOT ELIMINATOR with OST (Home and Kennel)

A synergized blend of selectively adapted all natural micro-organisms that provide maximum breakdown and removal of odor producing substances such as, urine, feces, vomit, oils, blood and other organics. The natural agents used in this formulation produce enzymes which are chemical catalysts that breakdown organic substances into harmless CO₂ and H₂O!

- Features our exclusive Odor Suppression Technology (OST), which works at the molecular level to prevent organic materials from “off-gassing” and releasing their odors as the organics decompose. OST is not a masking agent or perfume; it eliminates the source of the odor, providing immediate and lasting relief upon contact.
- Works on both Odors and Stains.
- No alcohols, harsh chemicals or caustic agents.
- Reduces the time needed to housebreak pets by eliminating the odors that “trigger” marking behavior.
- XPEL! has earned the Carpet & Rug Institute Seal of Approval for Superior Cleaning, signifying that XPEL! effectively removes even the most difficult stains without any damage to carpet.

Packaged: 32 ounce bottle with pop-up squirt cap

XPEL! ODOR ELIMINATOR with OST (Stable and Trailer)

A synergized blend of selectively adapted all natural micro-organisms in a concentrated solution that eliminates odors on a wide variety of surfaces for just pennies a day. Mix one part XPEL! with three parts water prior to use.

- Features our exclusive Odor Suppression Technology (OST). OST is not a masking agent or perfume; it eliminates the source of the odor, providing immediate relief upon contact.
- No alcohols, harsh chemicals or caustic agents.

Packaged: one gallon concentrate

RED HOT!

An all natural, humane 'attitude adjuster'. Keeps animals away from surfaces applied to. Designed to stop bandage biters and wood chewers.

Ingredients: Ground Cayenne Pepper

Packaged: 16oz
