This radiographic evaluation is an opinion on behalf of the seller and is not intended as a warranty. This report is a review of the radiographic views included in the repository radiographs. It is for the sole use of seller and seller's agent. Distribution of this report is against commercial privacy laws and is unethical. It is not meant to advise potential horse purchasers (PBPs) who are encouraged to have a veterinarian of their choosing review the radiographic views on file and take or request additional views if they deem necessary.
