

# PERK-A-MAX

PERK-A-MAX is a concentrated supplement for horses, formulated to provide supplemental vitamins, minerals and amino acids that may be lacking or in insufficient quantities in the horse's regular feed ration.

## FEEDING DIRECTIONS

PERK-A-MAX can be mixed into a completed feed at the rate of 12 ½ lbs. per ton.

## INDIVIDUAL SUPPLEMENTATION

Feed 1 to 2 ounces of PERK-A-Max daily.

## CAUTION

Follow label directions. The addition to feed of higher levels of this premix containing selenium is not permitted. Store in area inaccessible to children and animals. Excessive amounts of selenium may be toxic. Close container after each use. Store in coll, dry place.
